With this completed form, please forward copies of all purchase and ownership documentation that is associated with the above-referenced property. Include deeds, original purchase agreements, floor plans, and any marketing literature that you may have that describes the unit, the amenities of the surrounding development, or any vacation package that may be included with the timeshare.

This requested information is necessary for the Trustee to make a thorough investigation into the value of this property. If the Trustee determines that your timeshare is an asset to your bankruptcy estate, you will be required to sign the property over to him through a quitclaim deed that this office will provide. If you wish to purchase this property from your estate, the Trustee will Motion the Court with any reasonable offer.
