

## IMPORTANT NOTICE ABOUT 2010 TAXES

If you received and cashed your income tax refund checks prior to your filing, you MUST provide receipts, and proof of the extraordinary items that were purchased.

If your income tax refund was direct deposited, you MUST provide the Trustee with a copy of the bank statements indicating the amount received.

Please note that the bankruptcy estate is entitled to a pro-rated portion of the tax refund for the year in which the bankruptcy was filed.

Do not cash any tax refunds without contacting the Trustee.
